Media Advisory

The October 17, 2007 meeting of the Land Use & Housing (LU&H) Committee of the San Diego City Council includes the following items:

- An informational report from the Water Department and Real Estate Assets Department regarding the San Pasqual Valley streambed restoration exclusive negotiations lease agreement.

- A discussion about creating an Ad Hoc City Council Task Force responsible for identifying and evaluating locations in downtown San Diego for establishing a permanent emergency homeless shelter. The Task Force would make a recommendation to the Mayor and City Council and as well as determine operational needs and help create a Request for Proposals (RPF) or a Request for Qualifications (RFQ).

- A report from the Development Services and the San Diego Police Department regarding the Mini Dorm Administration Citation Pilot Program and the feasibility of extending the program citywide. The six-month pilot program began on April 30, 2007 to address nuisance behavior and problems associated with party houses and mini dorms in the College Area. Property owners as well as tenants could be issued citations of $1,000. Since its inception, 75 administrative citations have been issued including 70 tenant citations and five property owner citations.

- A report from the Centre City Development Corporation regarding the "C" Street Master Plan that includes architectural, landscape and streetscape design, land use planning, transportation and transit design services.

- A report from Debt Management about options relating to assistance for property owners in the La Jolla Mesa Vista Undergrounding District for utility undergrounding and future assessment districts.

The LU&H Committee meeting takes place tomorrow, Wednesday, October 17th, at 2:00 p.m. in the City Council Committee Room on the 12th floor of the City Administration Building located at 202 C Street in downtown San Diego.
